

## **Personal Details**

Surname: Trojanek

Given Names: Radosław Remigiusz

Citizenship: Polish

E-Mail: radoslawtrojanek@gmail.com

## **Personal Profile**

Associate professor at the Poznań University of Economics and Business in the Department of Microeconomics. Property valuer, authorisation no. 5048. For over twenty years, I have compiled data on listings and housing market transactions in Poland. My research interests are in the broadly defined real estate market, particularly real estate valuation, housing market price indices, real estate market cycles, and the impact of external factors on real estate value.

## **Employment Record**

Poznań University of Economics and Business

Period: October 2007 – June 2008

The graduation certificate from post-graduate studies in “Real Estate Management, Real Estate Agencies.”

Poznań University of Economics and Business

## **Fellowships**

University of Connecticut 07.2025 – 12.2025  
Center for Real Estate and Urban Economic Studies  
Advisor: Prof. Jeffrey Cohen  
Project title: ***How do temporary changes in noise impact house prices differently than permanent ones?***  
Funding: 123,500 PLN, Polish National Agency for Academic Research, Poland

University of Connecticut 05.2023 – 06.2023  
Center for Real Estate and Urban Economic Studies  
Advisor: Alex van de Minne, PhD  
Funding: As part of the project titled: ***Modelling and Forecasting of Housing Prices***

University of Graz 10.2020 – 10.2021  
Department of Economics  
Advisor: Prof. Robert Hill  
Project title: ***Are transactions the most useful source of information for constructing apartment price indexes on the primary market?***  
Funding: 177,000 PLN, Polish National Agency for Academic Research, Poland

University of Graz 03.2019 - 07.2019  
Department of Economics  
March 2019 – July 2019  
Advisor: Prof. Robert Hill  
Project title: ***House Price Index for Poland***  
Funding: 49,358 PLN, National Science Centre, Poland

## **Research Grants**

Poznań University of Economics and Business 07.2022 – 07.2026  
Department of Microeconomics  
Project title: ***Enhancing Housing Market Transparency through Artificial Intelligence and Big Data***  
Funding: 562.007 PLN, National Science Centre, Poland  
Role: Principal Investigator

Poznań University of Economics and Business 07.2022 – 07.2026  
Department of Microeconomics  
Project title: ***Modelling of Rental Markets in Poland - from the Micro to Macro Perspective***  
Funding: 489.222 PLN, National Science Centre, Poland  
Role: Principal Investigator

Poznań University of Economics and Business 07.2017 – 07.2023  
Department of Microeconomics  
Project title: ***Modelling and Forecasting of Housing Prices***  
Funding: 358.400 PLN, National Science Centre, Poland  
Role: Principal Investigator

## **PhD Supervision**

Michał Hebdzyński (2025), Poznań University of Economics and Business

Thesis: "Housing Rental Market in Selected Polish Cities in the Face of the COVID-19 Pandemic - Hedonic Perspective"
